Our Recruiters

Student Speak

Mr. Chidanand Kore
Department : Mechanical Engineering
Year of Placement : 2014
Placed In : POSCO Steel (A South Korean MNC)

My dream came true when I got selected in POSCO Steel (A South Korean MNC) during campus interview. This was made possible by the efforts of our TPO and I would always be grateful to the college for its international exposure and that too in the Country which is known for its technological advancement is indeed a unique experience.

Mr. Rohit Shedale
Department : Mechanical Engineering
Year of Placement : 2015
Placed In : Triveni Turbines

It is important for students to make to sharpen their problem solving abilities and in gaining an insight into real life industry conditions. I was fortunate to be studying in VVPIET that encourages project based learning. It was a dream which came true when Triveni Turbines offered me pay package of Rs. 32 thousand per month.

Miss. Priyanka Digge
Department : B.E. Electronics & Telecommunication Engineering
Placed In : Bafna Technologies, Pune

I being placed in Bafna Technologies. I take this opportunity to thank my college VVPIET, my professors and all those who helped me to grab this opportunity. I would like to thank T & P Cell for their support in entire process of placement. With this opportunity I feel very confident of my bright future and with blessings of my professors and parents I shall touch a height of success."

Mr. Shubham Mane
Department : Mechanical Engineering
Placed In : Systematic Group of Companies, Silvassa

If one is confident, positive and hardworking then nothing can stop you from achieving your goals and be successful in life, this is what I learnt in my college and which has now become the philosophy of my life. I got placed in 8th semester and for that I would always be thankful to my college placement department"

Mr. Omkar Adval
Department : Computer Science & Engineering
Placed In : Sungard, Pune

Being placed in Sungard ,Pune before completion of graduation was a good experience. Being in a company which provides you a continuous growth everyday thus helping to improve your skills is something of worth and I want to extend my thanks to placement department and department of CSE for their constant support and guidance."

Mr. Irfan Nadaf
Department : Electrical Engineering
Placed In : Shriram Finance Pvt Ltd, Pune

"I am thankful to VVPIET which provided me with an excellent academic atmosphere. During my four years in college, faculty members were very cooperative, always ready to clear the doubts. The most inspiring thing about the faculty members was that they always motivated us to work hard and gain knowledge. They emphasized that you first become deserving and the success will come to you in normal course. I also thank our placement department for providing this opportunity to appear in pool placement."

Employer Speaks

POSCO is recruiting graduate engineers since last four years at V.V.P.I.E.T., Solapur. We feel privileged in selecting students of V.V.P.I.E.T. The students are sincere, intelligent, hardworking and undertake various responsibilities. In some areas they have become pillars and are sharing key responsibilities. We feel that prior to joining POSCO, they have been specially groomed by the faculties of V.V.P.I.E.T. and that learning is making them to seek various challenging responsibilities. **Mr. Parikshit Mujumdar, Jr. Manager HR & Admin,**

POSCO MAHARASHTRA STEEL.

We are always very excited & happy to recruit students of V.V.P.I.E.T. Students are much disciplined, well groomed to be world class software engineers. As we seen their placement cell working very hard from last four years to place their students. We look forward to enrich mutual relations with V.V.P.I.E.T. **Mr. Nitin Deo Manager HR, Softenger India Pvt. Ltd. Pune.**
